

THANK YOU SPONSOR!!

Dear sponsor.

I had to thank you for sponsoring the camp and letting us come to lighthouse Christian camp. I have had such a good time this week my favorite part was Chapel because I got all my feelings out and I got saved and I got to ride horses and I got to go swimming everyday and the food was really good and God has changed my point of view in everything and I feel like I got closer to God and Jesus and I loved staying at lighthouse Christian camp not because of everyone here but because I got really close to God and I loved waiting to talk to him and he called on me and I am just glad that I answered back.

THANK YOU SPONSOR!!

Dear Sponsor,

I first off, have no idea how to thank you enough.

This camp have changed me so much as a person. The effort you gave to sponsor money makes girls so much happier than ever. I don't think anyone could put in to words how grateful they are. Before I came to camp I was confused where with me and Gods relationship was. I was starting to think God was just a person people exaggerated about. I thought I would just never feel as I used to. Until I came to this camp I learned that God loves me and I learned more about love itself. With God in my life I know I can change and be happier. Besides from doing really fun activities like swimming, hiking, riding horses, kicks, (thank you so much as well) I want to thank you most for bringing the best thing in the world to my life. ♡

I thank you for having the money and every thing for us to come to camp. I feel like im closer to god by going to camp this week. Learning about god is one of the most best things at camp and thanks to you we get to learn about him. My favorite things about this week was eating, chapel, and canoeing. If it wasnt for you we wouldn't be able to have fun memories at camp and learn about god, so thank you! and also god bless you for letting this to happen to all of these happy camper's
